

CREATIVE DESIGN THAT SPEAKS.

I am Buhle Makaula, a creative designer based in South Africa. I work with businesses and personal brands on identities that look sharp, feel human and hold up everywhere they live, from a WhatsApp status to a shop front. I studied Web and Graphic Design at Boston City Campus and have been designing for clients since 2021.

SERVICES

Branding & Logos

Identity systems, wordmarks and monograms built to scale.

Social Media Design

Feeds, templates and campaign posts that stay on brand.

Packaging

Labels and packaging from skincare bottles to supplements.

Poster & Layout

Posters, menus, profiles and print that read at a glance.

Apparel Graphics

Artwork for tees, hoodies and merch, drawn to print well.

Web & WordPress

Portfolio and small business sites, designed and built.

Software

Adobe Creative Suite, SketchUp, WordPress, Canva

Education

Web and Graphic Design, Boston City Campus, 2019
